Susan Sly is a tech investor, best-selling author, keynote speaker, trainer and entrepreneur. She has appeared on CNN, CNBC, Fox, Lifetime Television, The CBN, The Morning Show in Australia and been quoted in MarketWatch, Yahoo Finance, Forbes, and more. Susan is the author of 7 books. Her book project with NY Times Best Selling Author, Jack Canfield, made six Amazon Best Selling lists. Susan has built channel sales teams that have produced over \$1.7 billion in sales.

She is currently the Co-CEO, and cofounder, of Radius AI – a Silicon Valley and Phoenix based AI company. Susan is also currently studying at MIT with a focus in artificial intelligence and machine learning.

Susan has completed the Boston Marathon 6X and placed Top 10 in the Pro Division of the Ironman Triathlon in Malaysia. Susan is passionate about philanthropy and has dedicated a significant amount of time and money working to liberate girls from trafficking and invest in education to support women and girls who have survived trauma and abuse both domestically and overseas.

Susan is the mother of five children and resides with her husband in Scottsdale, Arizona. Find out more about Susan at www.susansly.com

Susan truly believes we can have it all.
